

SLMC Hospital Auxiliary Scholarships Available

South Lyon Medical Center Auxiliary is now accepting applications for Medical Scholarships. These scholarships are available to students who are preparing for a career in any medical or medically related field.

Applicants and their parents/guardians must have resided in Lyon County for a minimum of two years. The applicant must be a graduate of Yerington or Smith Valley High School and must have completed a year, or nearly a year, of advanced study. A transcript of the most recent grades must accompany the application.

If you are a qualified student, or if you know a student who may be qualified, please contact Sandy Christensen at P.O. Box 692 or phone 301-7490 for an application.
